

Donate Food

We are providing food for families in our community that have lost their jobs and we are also helping keep the Community Enrichment Center stocked with what they need to help families. You can drop donations off at the church office between 8:00 AM and 5:00 PM, Monday through Friday. **Bring anything non-perishable.**

Current priority needs of the CEC:

Please donate only unopened, unexpired items.

Volunteer at the CEC

Our church partners with the Community Enrichment Center (CEC) and has for many years. They are currently providing food everyday (M-F) from 9am to 1pm and need volunteers to help distribute food. Volunteers are needed everyday from 8:30am to 4pm. You can volunteer for the whole day or just a few hours. If you are interested you can go to www.cechope.org and click on the “Volunteers needed during Covid-19 Crisis” button for information and to register as a volunteer. Once you arrive at CEC your temperature will be taken and if you are well, you will be allowed to help.

Give Blood

Our hospitals are currently facing a shortage of life-saving blood donations. If you are able, please consider finding your local blood bank and volunteering an hour of your time and a pint of your blood in order to help those in our community in dire need. Carter Bloodcare has various locations around the metroplex, as well as blood drives happening often in this time of need. For more information and to reserve a timeslot, please visit their website at www.carterbloodcare.org.
